## What NOT to Bring to Camp

*If found, these items will be confiscated until Friday. We want campers to interact and develop **real social skills without technological assistance**, and don't want cell phones, internet, gaming systems, music, texting, etc. to be a distraction from other campers, activities, or programs. Also some of these items are expensive to replace in case of loss or breakage, or can cause harm if misused.*

- MP3 players, iPods, iPads, iPhones, Blackberry, radios, CD/DVD or other music/internet devices
- Cell/smart/I-phones and/or instant messaging devices, laptops, tablets, kindles, e-readers, etc.
- Electronic games (PSP, Nintendo DS, tablets, etc.)
- Aerosol or pump sprays (deodorant, body sprays, hairspray, etc.), styling mousse foam & gels
- Curling irons, crimpers, electric curler sets, etc. (for safety & energy conservation reasons; anyway ladies, you are 'roughing it' and at camp – we'll all go for the 'outdoorsy look').
- Inappropriate clothing (adult-themed or violent tee-shirts, string bikinis, skimpy clothing, miniskirts, etc.)
- Fireworks or firecrackers; silly string
- Knives (including pocketknives) and firearms

***Do not bring food or snacks to keep in your cabin. Food in cabins attracts unwanted wildlife like ants, mice and bears. Adequate meals will be served and snacks provided.***
