OZAUKEE COUNTY SAFEGUARDS DONATIONS AND CONTRIBUTIONS

Port Washington, WI (February, 2010)

Ozaukee County appreciates and respects all donations received from participants through its nutrition programs. The Aging and Disability Resource Center of Ozaukee County is very troubled by the recent fraud situation uncovered in Waukesha County. We want to assure the public that Ozaukee County has policies and procedures in place to safeguard all donations made so that a similar situation cannot take place. In 2005, Ozaukee County conducted an internal audit and put in place additional safeguards to further ensure the integrity and safety of cash donations. A subsequent internal audit in 2008 verified that the safeguards that had been implemented in 2005 are effective and are being maintained with consistency.
