

# I've Tested my Home for Radon...Now What?

If you have tested for radon and you would like to learn what to do next then join us for an informational presentation. You will learn what the radon levels in your home mean, what radon is and what you can do to lower radon levels in your home.

## **Registration:**

**The presentation is free with your registration by March 19th.**

Must have 10 or more participants at each presentation to host the session. You will be notified if cancelled.

To register call Danielle Vollendorf at
