REFERENDUM

MUNICIPAL REFERENDUM

VILLAGE OF GRAFTON

ADVISORY REFERENDUM

Referendum Question No.1

The results of this question shall be advisory only.

If there are village costs associated with the removal, repair, replacement or modification of the Bridge Street Dam do you wish those costs to be:

Choose one (1) Option:

- 1. A general village tax increase; or
- 2. The costs absorbed by Tax Incremental District No. 3 (Downtown)

BINDING REFERENDUM

Referendum Question No. 2

A binding Resolution of the Village Board of the Village of Grafton.

It is hereby resolved by the Village Board of the Village of Grafton that the Bridge Street Dam be preserved until at least 2019 (the year by which any potential modifications necessary to bring the dam into compliance with the requirements of Wis. Ad. Code NR333 would have to be completed), unless ordered to take action earlier under state law, in order to allow a comprehensive, independent analysis thoroughly evaluating all reasonable, cost-effective alternatives to comply with state law pertaining to dams, given:

- (i) The irreversible nature of the dam's removal prior to such an analysis;
- (ii) The dam's aesthetic importance as a Grafton landmark;
- (iii) The many recreational opportunities the dam affords;
- (iv) The uncertainties regarding the economic impact dam removal may have upon public and private property adjacent to the Milwaukee River and the community at large; and
- (v) The historical significance of the dam.

This Resolution does not prohibit the construction of a fish ladder.

The results of this question shall be binding upon the Village Board of the Village of Grafton.

- Yes I agree.
- No I disagree.
