### Background Information:

I am a team player with the ability to listen with an open mind. My background as an educator and current family dynamic involving a child with disabilities would be advantageous.

Why would you like to be appointed to the committee or board you are applying for?

After receiving my bachelor's degree in education I continued to work toward a master's degree in Special Education. I have been involved in advocacy groups and served as a board member for All My Friends Playground. I have been a volunteer for Helping Hands Healing Hooves and a local nursing home. As an activities coordinator at New Castle Place I worked with senior adults. Most importantly I am the parent and full time caregiver for my amazing daughter who has disabilities.

What related experience / education / interests do you have that would be beneficial for the board or committee that you would like to serve on?

Volunteer work: Harbor Village nursing home, Elementary School Classroom Parent, Helping Hands Healing Hooves, Board member for All My Friends Playground

### Job Information:

Occupation: Former Educator

### Additional Information:

I believe that my character, wisdom and personality make me a strong potential board member. I hope to be allowed the opportunity to make a difference.
