(Very Small Quantity Generators)

### Hazardous Waste Collection

#### Small Business Clean Sweep

**Saturday, May 12**  
**8:00 a.m. – noon**

Small businesses located in  
Ozaukee County are eligible.

Pre-registration with Veolia  
is required.

#### Location:

**Ozaukee County Highway Shop**  
**1221 Hilltop Drive**  
**Town of Cedarburg**

### What is a Small Business VSQG Clean Sweep?

It is a convenient, safe, and low-cost opportunity for Very Small Quantity Generators (VSQG), such as small businesses, to dispose of unwanted, unused, damaged, and/or banned hazardous chemicals (especially pesticides).

#### What is the cost?

Businesses will work directly with Veolia North America to determine the cost of disposal.

### Small Business (VSQG) Participation

A Very Small Quantity Generator (VSQG) is a business that generates less than 220 lbs. of hazardous waste per month and stores less than 2,205 lbs. per year. If you are a VSQG and would like to dispose of your hazardous materials at a reduced cost, print and complete the **Veolia VSQG Chemical Inventory Form** (*next page*) and send it to Veolia for an estimate. You may also call Chris Bahlow at Veolia . . . 715-298-2623 . . . for assistance.

Small businesses that meet pesticide licensing categories regulated by DATCP are encouraged to participate.

**WE WILL NOT  
ACCEPT:**

1. LATEX PAINTS AND STAINS
2. Ammunition
3. Compressed gas cylinders
4. Explosives and ordnance, including detonators and blasting caps
5. High-pressure cylinders or tanks; propane
6. Infectious or biological wastes or needles (sharps)
7. Motor oil (used)
8. Radioactive chemicals and devices (e.g., smoke alarms)

We WILL accept *most* unlabeled (origin unknown) chemicals.

#### Clean Sweep Location:

**1221 Hilltop Drive**  
**(near Five Corners, south of Hwy 60**  
**at the intersection of Hilltop & Sycamore,**  
**Town of Cedarburg)**
