WHEREAS, Ozaukee and Washington Counties both operate a comparable Shared-Ride Taxi Service in their respective counties, open to the general public for the purposes of transportation to and from employment, medical appointments, social and personal business, school, and shopping; and

WHEREAS, cross-county transportation has been an identified unmet need in the County's *Public Transit - Human Services Transportation Coordination Plan for Ozaukee County: 2016*, and prioritizes strategies that encourage transit agencies to create memorandums of agreement that create transit connections between counties and establish procedures for funding these services; and

WHEREAS, this Memorandum of Understanding maintains each counties ability to operate and fund their Transit Services as a separate entity; and

WHEREAS, this Memorandum of Understanding outlines roles and responsibilities of the Counties providing the services, funding, marketing, and maintenance and fuel, and liability for operating the Cross-County Taxi Pilot Program; and
