

PEER-TO-PEER CHALLENGES

STEP
1

Pick your Challenge

To sign up for a peer-to-peer challenge, start by selecting a personal challenge at the bottom of the homepage.

STEP
2

Invite Participants

Check the box to make it peer-to-peer, then invite any active participant(s) to compete. Pending challenges are indicated with an "Invite" flag in the top left corner.

STEP
3

Accept Invitations

Accept or decline invitations via email or on the homepage. Once the challenge has been accepted, the flag will change to "Peer."

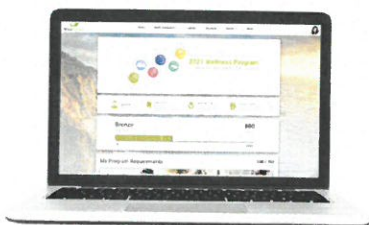

STEP
4

Additional Invitations

The initiator of the challenge can invite new peers at any point during the challenge.

STEP
5

Points Awarded

Points are awarded to all participants like any other personal challenge (*if applicable in your program*).
