

Dementia

is Everyone's Business

Become a Dementia Friendly Business

Approximately **2,100** people in Ozaukee County are living with Alzheimer's disease and related dementias. This number is projected to increase **77%** by 2040. In addition, about **70%** of Alzheimer's caregivers are under age 65 and employed. These numbers will touch us all because they represent family members, friends, neighbors, co-workers, colleagues, clients, and customers.

Making it Easier for People with Dementia to do Business has Clear Benefits:

- **70%** of people with dementia live at home. They and their family caregivers will use businesses that are easy to navigate and staff who are more accommodating to their needs.
- A dementia friendly business or organization receives recognition and increased visibility in the community.

What is Dementia Friendly Business Training?

- A **free** 30-minute training for staff of businesses and service organizations to understand more about Alzheimer's disease and dementia, learn dementia friendly communication tips, become familiar with local resources and create an environment that is safe, respectful, and welcoming for people living with dementia.
