GIS Data Acquisition Policy

Product Requests:

Requests for digital and hard copy maps will be handled on a first-come basis and will be filled as the office schedule permits. Datasets are in Arc 10.7.1 or later personal geodatabase format, in the NAD 83 Projection. Tabular data is in Microsoft Office 2010 Excel format.

Fees:

Digital – The cost per dataset shall be **\$50.00**. All requests shall be distributed in the formats in which they exist. Prices include all taxes. Payment must be received prior to the distribution of data. Checks can be made out to: **Ozaukee County Land Information Office.**

Hard Copy - Requests which consist of simple duplication of existing data sets shall have a **\$10.00** setup fee (15 minutes processing time) plus the cost of media and shipping. The cost of media is calculated according to the cost of equipment, ink and paper. Regular opaque bond paper is calculated at .02 cents per square inch. High glossy paper is calculated at .10 cents per square inch. Prices include all taxes. Payment must be received prior to any product being received. Checks can be made out to: **Ozaukee County Land Information Office.**

Fees are waived for federal, state and local governments and educational institutions. Fees can be waived for other entities at the discretion of the Land Information Office

Fees shown include a \$10.00 setup fee.
