PARK SYSTEM**

# DISCOVER TENDICK NATURE PARK

## WHY VISIT?

The nature trails meander around a pond through a hillside grassland, upland woodlands, and lead to a boardwalk in a forested wetland. The forested wetland contains white cedars and marsh marigold. It is not uncommon to spot frogs and toads in the wetlands hopping alongside hikers. Tendick Nature Park features the only professional 18 hole disc golf course in the County. The disc golf course has 36 tournament quality pro and recreational distance concrete T-pads and PDGA certified baskets. The front 9 winds through tight woods while the back 9 is mostly open and long with rolling hills and grasslands. The archery range, located on the riverside parcel, has two ground level ranges and one 12 foot elevated platform range. All three are marked in yardage and offer excelsior bales as targets. The park also plays host to regional and sectional cross-country meets. The course winds through an upland beech woodland on the hiking trails and over a rolling grassland hillside.

## SHELTER RENTAL:

Tendick Nature Park offers a shelter, log cabin, and a gazebo. All three of these facilities are available for rent. The shelter has banquet tables with seating for up to 100 visitors, electric outlets, an outdoor grill, a drinking water fountain, and flush toilets. The gazebo is a beautiful area for a small wedding ceremony.

## THE HISTORY:

Tendick Nature Park is named after Donald & Rosemary Tendick, who donated the land to the County in March 1999. His wish to turn the land into a passive use recreational and nature park became a reality in 2005 after completion of several phases of development and completion of the Tendick Nature Park Shelter. The development of the park was made possible through several Wisconsin Department of Natural Resources Knowles-Nelson Stewardship Grants.

Today the park includes numerous grills and picnic tables as well as a gazebo completed in 2007. The park is actually split in two parts, east and west, by County Highway O with two separate entrances. The west entrance is just north of the east entrance. The east entrance leads to the Milwaukee River canoe/kayak launch and archery range.

## ACTIVITIES & AMENITIES:

- Archery Range
- Birding/Wildlife Viewing
- Canoe/Kayak Launch
- Cross Country Course
- 18 Hole Professional Disc Golf Course
- Fishing
- Grills
